Hey Guys:

I don't need a FSP because the samples taken are only for disposal purposes. I will need to look at the QMP, QAPP.

Thanks

Gloria, I spoke to Walt Helmick and he informed me that NORCO's contractor will have to submit a QMP and Revised QAPP and FSP for the RI/FS. I am assuming the same requirements apply for the Removal. Please call me to discuss these issues before I contact TRC. Thanks.
